

We are the CIDC

(Collaborative Impact for Decatur County)

Collaborative Participants: Memorial Hospital & Manor, City & County Government, Sheriff's Office, Decatur Co. Schools, EMS, Health Department, Housing Authority, Bainbridge State College, Family Connections, etc.....

Vision

“An inclusive community engaged in equity and well being for Decatur County.”

Mission

“Our mission is to build a healthier community through *partnership, inclusion, equity, collaboration and education.*”

You as a community member can **HELP** support by:

- 1) Completing the Survey using the hot link below. The CIDC believes in doing this each of you are given a voice to make Decatur County healthier and stronger by helping identify needs to improve healthcare equity and reduce disparity in Decatur County. Data from the survey is 100% anonymous. Survey results will help the CIDC develop a Decatur County Health Improvement Plan (CHIP). The plan will be submitted to the Healthcare Georgia Foundation (HGF) in the Spring of 2018 in an effort to be considered for funding through a grant from HGF.
- 2) Providing us (Collaborative participants) with input face to face about your concerns for healthcare disparity and inequity in our community.
