

## **Georgia Milestones Assessment**

The Georgia Milestones Assessment System (Georgia Milestones) is a comprehensive assessment system. Georgia Milestones measures how well students have learned the knowledge and skills outlined in the state-adopted content standards in English Language Arts and Mathematics in grades 3rd through 8th, and Science, and Social Studies in 5th and 8th grades. Decatur County students will participate in the Georgia Milestones between April 20 and April 24. It is very important that your student is at school each day, rested, and ready to do their best on the End of Grade Assessment.

For further information or questions, you may contact your child's administration or Chip Davis, Director of Federal Programs at 229-248-2853.
