Kindergarten Registration/Screening will be held on March 23<sup>rd</sup> at each of the four elementary schools. A child must be five (5) years old **ON** or **BEFORE** September 1, 2021, in order to be eligible for public kindergarten. A parent/guardian **MUST** complete a Kindergarten Registration packet in order to enroll the child at the school for which he/she is zoned. Any questions concerning correct zone can be answered at the individual schools or at the Board of Education Bus Shop.

In addition to their child, parents will need to bring the child's certified Birth Certificate, Immunization Certificate, Social Security Card, and proof of residence to the registration. Acceptable proofs of residence include current rent receipt, power bill, water bill, or, if living with a relative, a notarized letter with one of the previously named bills attached. If a child has not completed his/her immunization, the Health Department should be contacted. Please note that the completion of the Hepatitis B series (3 doses) and Varicella (2 doses) are part of the required immunization.

The registration and/or screening will be conducted between the hours of 8:30 a.m. – 2:00 p.m. and 4:00 p.m. – 5:30 p.m. on March 23<sup>rd</sup> at each elementary school. Parents should report to the school's office. Parents will **not** need to make an appointment for the screening.
