

WiFi Hotspots for Decatur County Students

The following locations will have a Wi-Fi bus parked 7 days a week for any Decatur County Student needing Wi-Fi access. As we determine usage and need, we may move locations to better serve our community. We are also anticipating adding several more locations in the near future.

Bus Hot Spot Locations:

- Brinson Town Hall Building
- Kendrick Volunteer Fire Dept.
- Mt. Pleasant Volunteer Fire Dept.
- Head Start Building Climax
- Attapulgus Community Center
- Faceville Volunteer Fire Dept.

School Site WiFi:

- All school parking lots are available for Wi-Fi access for Decatur County Devices.

Inside School Access:

- All school sites are going to have limited space available for students to come inside the building and sit in the gym and/or the library to access WiFi for school use.
- These spots are by appointment only to ensure availability. These spots are available in one or two hour increments only and not available for all-day usage. Please contact the school in advance for more information and to set up an appointment for these spots.
